

YOUTH LIABILITY WAIVER

By signing below, I hereby allow my child to be a Home 'Fur' Good (hereinafter "HFG") volunteer. I fully realize that he or she may not be supervised by a HFG staff member at all times, and that much of the volunteer work revolves around animals. I understand that this means working with animals whose behavior can be unpredictable and there is an inherent risk of injury. I have been given the opportunity to speak with an authorized HFG representative regarding any concerns I have. Further, I avow that my child is sixteen (16) years of age as of today's date and I have spoken with my child about not putting himself or herself in any situations that could potentially put volunteers, staff members, potential adopters, or any animals at risk for injury. As such, I hereby release from liability and hold harmless, Home 'Fur' Good, Home 'Fur' Good staff members, other volunteers, donors, their respective agents and representatives from any and ALL claims relating to injury, damage or harm, associated with my child's work with HFG.
